Dear all

RE: Community Action Groups

You are cordially invited to attend the **Community Action Groups** for **Blakenall & Bloxwich LNP**. I enclose the dates for your diary overleaf.

Everyone is welcome to attend the CAGs, your views do matter. The CAGs bring an opportunity for you and your neighbours to have a say about how to improve the local area, to look at new ways of making organisations accountable for their services and performance and provide help and support for people and organisations to get involved and be part of delivering the LNP Pledge action(s).

Could I ask you to promote the meetings in your organisation and in the community to encourage attendance, if you can not attend, but would like to raise a concern/issue, please contact myself or Parveen Sangha on: 01922 652284 or 01922 654701

Light refreshments will be available on the evening. I look forward to seeing you at the CAG meetings. Thank you for your continued hard work and support.

Yours sincerely,
